

# EMPLOI

- The professional section related to employability skills, graduate careers and internships.
- EMPLOI aims to stimulate and develop the interaction between employers, institutions and all relevant stakeholders, to ensure that we are acting together to improve the chances of successful integration into the international labour market for all students.
- If this subject is of interest, please ensure one of your EAIE affiliations is EMPLOI

# EMPLOI session 8.03

## ERASMUS Work Placements: increased quality

Friday 18/09 14.00 - 15.30

# EMPLROI session 8.03

The switch of student work placement opportunities from LEONARDO to the ERASMUS programme has created various expectations and misunderstandings.

# EMPLOI session 8.03

These concern issues about

- organisation,
- recognition,
- quality,
- language preparation
- monitoring
- .....

# EMPLOI session 8.03

This session provides the platform to voice concerns, suggestions and questions in order to improve the programme in the years to come.
