Customized student recruitment events for Masters programs in Business and Management

Since 2009, the Access Masters Tour gives business schools the opportunity to engage prospective Master's program applicants in diverse interactive formats at in-person events globally.

Small Group Talks

Meet with carefully pre-screened candidates interested in your Masters programmes for successful recruitment customized per region.

Program Spotlight

Highlight the unique aspects of your program through presentation or a school panel discussion.

Candidate Management and ROI

Work before, during and after the event with our experienced candidate management team and tools for stronger ROI.
