

CAMPUS SHOWCASE 02

UNIVERSITY OF
ABERDEEN

02 – University of Aberdeen

During the Campus Showcase, you'll gain a concise picture of what shapes the University of Aberdeen today and the direction we're moving in. The session highlights our learning and research environment, our commitment to inclusion, and the collaborative approach that underpins our work across disciplines.

You'll hear about the ideas and initiatives driving innovation across our community and see how we support students to develop the skills, confidence, and curiosity they need to succeed. The presentation also introduces our global perspective and the values that guide how we form partnerships and create opportunities for learners worldwide.

Come and meet staff from the Global Engagement team, who will share insight into our international activity and be on hand to answer questions.

About the institution

The University of Aberdeen is a welcoming, ambitious, and globally connected institution with a long tradition of innovation and discovery. Founded in 1495, it brings together students and staff from around the world to learn and collaborate in an inclusive, supportive environment. We are recognised for strengths across a broad range of disciplines, including energy and environmental sciences, health and medical research, the humanities, social sciences, and business. Our teaching is research-led and forward-looking, helping students develop the skills and confidence needed for global careers. With an international outlook and a distinctive Scottish heritage, Aberdeen offers a transformative academic experience.
