

## CAMPUS SHOWCASE 01

University for the Common Good

### 01 – Glasgow Caledonian University

During our Campus Showcase, you will gain a brief introduction to higher education in Scotland before diving into a closer look at our institution and its position within Scottish and UK HE. You'll hear a concise presentation highlighting our Turing Scheme and Erasmus mobility opportunities, key partnerships, and the unique academic and student life experiences we offer. We will also share a visual glimpse of our main campus in the heart of Glasgow's city centre, giving you a feel for our state-of-the-art facilities, learning environment, and the vibrant community that awaits our students.

Following the presentations, you'll have the chance to meet our team in person during the networking brunch, where we'll host a dedicated stand for informal discussion. This is a great opportunity to explore new collaboration possibilities, ask questions, and connect with colleagues. We look forward to welcoming you and sharing what makes our campus - and our partnerships - distinctive.

#### About the institutions

Glasgow Caledonian University – Scotland's largest and leading modern university – is a vibrant, values led institution with campuses in Glasgow and London. Committed to high quality education and research that support its communities, GCU works closely with over 300 industry partners to ensure strong career outcomes, with 92% of graduates in employment or further study within 15 months. GCU is UK University of the Year for Graduate Jobs, and top ranked modern university in the UK. A leader in widening access and sustainability, GCU also provides Scotland's leading Graduate Apprenticeships and offers an outstanding student experience recognised internationally, achieving 95% International Student Barometer satisfaction.
