2b – Queen Margaret University: The value of exchanges after university

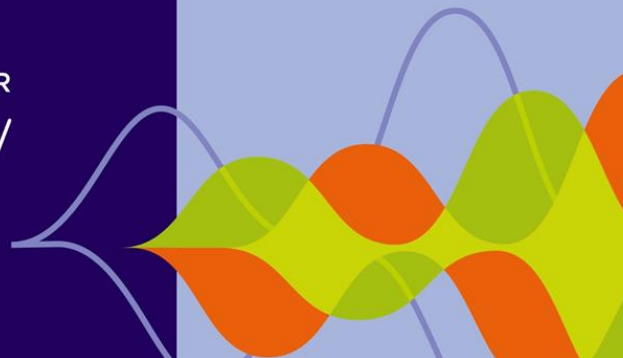

On arrival at Queen Margaret University, you will be welcomed to our campus by Professor Richard Butt, Deputy Principal and Deputy Vice-Chancellor.

QMU welcomes the opportunity to showcase our student-centred approach and to demonstrate how that aligns with the value that Student Exchanges opportunities provide. As well as experiencing a campus tour, your visit will also include an interactive workshop, 'The Value of Exchanges After University', run by our Careers team. This will give you the opportunity to discuss the importance of supporting students upon their return from a mobility experience. The workshop will also include a panel discussion with QMU exchange students.

A light lunch will be provided during your visit. We look forward to welcoming you to QMU!
