EAIE Election statement guidelines

All candidates are required to send in an election statement by **Friday 06 March**. Submit your election statement online via the EAIE Elections pages. Please ensure that your statement is written in the **first person** and includes the following information:

- Your current job title
- A list of other positions/or functions you currently hold, for example volunteer positions in other associations
- Why should members vote for you?
- Why do you want to serve in this particular position?
- What skills and experience could you bring to the role and how does that match the characteristics defined in the position profile?
- Your educational background (only if relevant)

Sample election statement:

My name is Jan Smit and I have been working as a credential evaluator at the University of Amsterdam for the last five years, facilitating the admission of foreign students to my institution. Additionally, I have had a leading role in a working group to establish national guidelines for admission to Master programmes in the Netherlands and I am a member of the Board of the Credential association. I believe that my extensive knowledge in this field, allow me to guide the EAIE Expert Community Admissions and Recognition as the Chair. Furthermore, my experience training other credential evaluators at my institution would be an asset in creating community for members and raising up future leaders. I have many ideas on how I can support EAIE members working in the field of academic credential evaluation, particularly with regard to national education systems. It would be an honour to be able to use my knowledge and skills to serve the EAIE in this capacity.
