## Schedule at a glance

### En Route!

The 2024 EAIE Conference theme 'En Route!' translates to 'we are on our way' and highlights the energy with which our community is moving towards a brighter future. This work involves exploring the possibilities of increasingly powerful digital technologies, implementing sustainable practices in our institutions, developing innovative ways to support the interests of our community and more. Actively learning as we go, we are 'en route' to a better tomorrow through our individual efforts as professionals in the field and in the ways we identify opportunities and develop solutions as a community.
